Privacy Policy

Centex Technologies respects the privacy of customers and visitors to Centextech.com. If you have any questions about the operation of our website, please write to mail@centextech.com.

This privacy policy applies solely to information collected by this website. It will notify you of the following:

1. What personally identifiable information is collected from you through the website, how it is used, and with whom it may be shared.
2. What choices are available to you regarding the use of your data.
3. The security procedures in place to protect the misuse of your information.
4. How you can correct any inaccuracies in the information.

Information Collection, Use, and Sharing

Our website collects names, email addresses, and other personal information from customers and visitors only when submitted via one of our online forms, such as the contact form or credit card payment form. This data is used solely by Centex Technologies and is not shared, traded, or sold to third parties.

Our web-server also records IP addresses from all visitors to our site. An IP address is a number that is automatically assigned to your computer when you use the Internet. We use IP addresses to help diagnose problems with our server, to administer our site, to analyze trends, to track user movement, and to gather broad demographic information—all for the purpose of continually improving our website and delivering personalized, custom content. IP addresses are not linked to personally identifiable information, and their collection is standard procedure in most web-server environments

We will use your information to respond to you, regarding the reason you contacted us. We will not share your information with any third party outside of our organization, other than as necessary to fulfill your request, e.g. to ship an order.

Unless you ask us not to, we may contact you via email in the future to tell you about specials, new products or services, or changes to this privacy policy.

Our website contains links to other websites. Please note that when you click on one of these links, you are entering another website, for which Centex Technologies is not responsible.

Your Access to and Control Over Information

You may opt out of any future contacts from us at any time. You can do the following at any time by contacting us via mail@centextech.com:

- See what data we have about you, if any.
- Change/correct any data we have about you.

Security

We protect your payment and personal information with our Secure Sockets Layer (SSL) software. As the industry standard, SSL is among the best software available today for secure commerce transactions. It encrypts all of your personal information, including credit card number, name, and address, so that it cannot be read over the internet. You can verify this by looking for a closed lock icon at the bottom of your web browser, or looking for "https" at the beginning of the address of the web page.

While we use encryption to protect sensitive information transmitted online, we also protect your information offline. Only employees who need the information to perform a specific job (for example, billing or customer service) are granted access to personally identifiable information. The computers/servers in which we store personally identifiable information are kept in a secure environment.

Updates

Our Privacy Policy may change from time to time and all updates will be posted on this page.

Refund Policy

All payments or donations to Centex Technologies are final and refunds are provided at the discretion of the merchant.

By using Centex Technologies website, you signify your agreement to our privacy policy as stated above. Note that this policy may be revised periodically without notice. Please re-read this policy prior to submitting any personal information if you have concerns about how your information is being collected and used. If you feel that we are not abiding by this privacy policy, you should contact us immediately via telephone at (254) 213-4740 or mail@centextech.com.
