

CAPABILITIES STATEMENT

CENTEX
TECHNOLOGIES®

SOLUTIONS FOR THE FUTURE®

ABOUT US

As a leader in the IT industry, Centex Technologies employs professionals recognized for their expertise in cybersecurity, digital transformation, DevOps, and forensic investigations. Established in 2006, we serve diverse clientele across public and private sectors with a robust presence across the country and a dedicated workforce spanning five states.

We take pride in fostering long-term relationships with clients based on our core values of trust, transparency, empowerment, and family. Our team of committed professionals elevates client operations through innovative, secure, and efficient IT solutions, tailored to your organization.

Centex Technologies aims to be a catalyst for impactful change and growth in every project we undertake.
